LB 651, 794

vote aye, opposed vote no. Have you all voted? Record.

CLERK: 25 ayes, 0 nays on adoption of committee amendments.

SPEAKER MARVEL: Okay, the committee amendments are adopted. Senator Merz, what do you wish to do with the bill?

SENATOR MERZ: Mr. President, members of the body, to make this short, I had a long study made with the judges in the state and they were complaining about sentencing DWI drivers to treatment because of the expense. So this merely puts the expense or burden on the convicted DWI driver and it met the approval of all the judges and I ask that we move it to E & R initial.

SPEAKER MARVEL: The motion is to advance the bill as amended to E & R for review. All those in favor of that motion vote aye, opposed no. Have you all voted? The motion is...record the vote, Mr. Clerk.

CLERK: 26 ayes, 0 nays on the motion to advance.

SPEAKER MARVEL: The motion is carried and the bill is advanced as amended. Members of the Legislature, it is my privilege to present two gentlemen who are here with Senator Fitzgerald. They are both members of the Kentucky House of Representatives. They have something to do with the University of Louisville #2 ranked basketball team and Representative Bob Benson and Representative David Hall. Good luck to you. The next bill is 794, Mr. Clerk.

CLERK: Mr. President, LB 794 was introduced by the Appropriations Committee. (Read title.) The bill was read on January 16, referred to Judiciary, advanced to General File. There are committee amendments by the Judiciary Committee.

SPEAKER MARVEL: Senator Stoney.

SENATOR STONEY: Mr. Speaker, members of the Legislature, the amendments that we have to LB 794 are merely of a technical nature. We are striking one section and in the second amendment we are striking the section referred to so it is merely technical, nothing of any substance and I would move for its adoption.

SPEAKER MARVEL: The motion is the adoption of the committee amendments to 794. All those in favor of that motion vote aye,
